Kaplan Publishing's learning materials are designed to help students succeed in their examinations. In certain circumstances, CIMA® can make post-exam adjustment to a student's mark or grade to reflect adverse circumstances which may have disadvantaged a student's ability to take an exam or demonstrate their normal level of attainment (see CIMA's Special Consideration policy). However, it should be noted that students will not be eligible for special consideration by CIMA if preparation for or performance in a CIMA exam is affected by any failure by their tuition provider to prepare them properly for the exam for any reason including, but not limited to, staff shortages, building work or a lack of facilities etc.

Similarly, CIMA will not accept applications for special consideration on any of the following grounds:

- failure by a tuition provider to cover the whole syllabus
- failure by the student to cover the whole syllabus, for instance as a result of joining a course part way through
- failure by the student to prepare adequately for the exam, or to use the correct pre-seen material
- errors in the Kaplan Official Study Text, including sample (practice) questions or any other Kaplan content or
- errors in any other study materials (from any other tuition provider or publisher).
